FACTS ABOUT BUILDING.

When You Build You Want to Use the Best
and Cheapest Material.

White Pine Doors, Windows and Blinds ARE THE BEST.

First. Because they are much lighter.
Second. Because they will cost less to hang
and keep in repair.
Third. Because they are thoroughly dry and
will not shrink.
Fourth. Because they will not warp and get out
of shape.
Fifth. Because they have a much smoother
surface, with no gaping joints.
Sixth. Because they will take and hold paint
much better.
Seventh. Because they will last longer.
Eighth. Because they are much better in every
respect.

Use Indian Rock Lime, because it is
the best.
